Amendment and Request for Reconsideration

Dear Sir:

Please amend the claims as follows:

Please cancel claim 1.

Please add the following new claim:

- 18.
19. A system for digitally defining a color formed from at least two color models, said system comprising:
- means for selecting at least one color component from a first color model;
  - means for selecting at least one additional color component from at least one other color model; and
  - means for assigning percentages to each of said selected color components from said first color model and from said at least one other color model to create a user-defined color.

A
